Detail for Animals with an Outcome 7/11/2016 through 7/17/2016

This reports all outcomes of animals between the parameter dates.

Removed are all non-impound intake types (e.g. animals reported to the shelter as found but held by the reporting party), animals dead on arrival and wild animals. Foster intakes and outcomes are also excluded but the animals are reported by their initial intake date and final outcome. Animals in foster are reported separately.

This query is in line with the information requested for the Asilomar/Maddie's Fund reporting.
